1) Meetings

- a) The Town of Kent Planning Board meets in regular session on the second Thursday of each month starting at 7:30 PM.
- b) The Planning Board meets in a workshop session on the first Thursday of each month starting at 7:30 PM. The workshop meeting is an open meeting. The public may attend but may not speak except by invitation of the Planning Board.
- c) If a workshop or meeting is cancelled due to inclement weather, lack of quorum, or other conflict, this information will be posted on the website.
- d) Special meetings may be called by the Planning Board Chair and shall be noticed pursuant to the Open Meetings Law.

2) Deadlines

- a) All submittals are due no later than 12:00 PM (noon) on the Thursday prior (21 days) prior to the regular meeting. There shall be no exceptions.

3) Application Submittals

- a) All applications shall include the following:
 - i) Original and 18 copies of the completed application forms, affidavits, and EAF. We will need 11 (eleven) complete sets (applications, Forms, 11" x 17" maps and surveys and seven sets including completed application forms, affidavits and EAFs and 7 full-size drawings and surveys).
 - ii) Nine (7) full-size sets of maps and eleven (11) reduced size (11" x 17" size sheet) sets of maps depicting the proposed activity and prepared in accordance with the requirements of the Town Code. Should be sent or delivered to:

The Kent Planning Board
25 Sybil's Crossing
Kent, NY

PDF files should also be sent to: the
planningkent@townofkentny.gov

- iii) All maps shall be folded. Maps that are not folded will not be accepted. When the drawings are approved Three full size drawings are retained in the Planning Board file; one is retained in the Building Department file; one is given to the Planning Board Engineer, a full size drawing is returned to the applicant and one to the architect/engineer

- iv) Applicants are advised to contact the Planning Board Secretary to determine the amount of Application fees, as established by the Town Board.
 - v) Applicants are advised to consult the Planning Board Clerk to determine the Initial Review Fee amount. As the project progresses this escrow account may need to be replenished. After the project has been completed and inspected any funds remaining in the account will be refunded upon request by the applicant.
 - vi) Survey information shall be recent or recently re-certified by a New York State Licensed Surveyor so as to accurately depict topographic and site conditions as of the date the application is submitted.
 - vii) Short Form Environmental Assessment Form. Applicants are advised that the Planning Board may require the applicant to provide a Long Form Environmental Assessment Form where the Board determines that the Short Form does not provide sufficient information about the application.
 - viii) Agricultural data statement, if applicable.
 - ix) Recent aerial photo at a scale of 1:200 or less with tax parcels delineated.
- b) Applicants are advised to consult the following Town Code sections:
- i) Subdivision Sketch Plan Plat - §A81-7 of the Subdivision Regulations
 - ii) Subdivision Preliminary Plat - §A81-8 of the Subdivision Regulations
 - iii) Subdivision Final Plat - §A81-9 of the Subdivision Regulations
 - iv) Site Plan- §77-60 of the Town Zoning Law
 - v) Conditional Use Permit Application - §77-59 of the Town Zoning Law
 - vi) Freshwater Wetland Permit - §39A-7 of the Town Code.

4) Application Procedures

- a) All applications and submittals are formally received as of the submittal date each month as shown on the Planning Board Schedule (attached), reviewed at the workshop and discussed in depth at the regular meeting of the Planning Board. Applicants are not required to attend the workshop, but are welcome. The applicants and/or their representatives are required to attend the meeting, which is televised.
- b) Upon receipt of an application, including all application and escrow fees, the maps and supporting documentation will be forwarded by the Planning Board Clerk to: the Planning Board members, Building Inspector, Planning Board's Planner, the Planning Board's Engineer and Environmental Consultant. All communication(s) must be directed to the Planning Board Office and not directly to the Planning Board's consultants.
- c) All maps must comply with the Town requirements for preliminary plats and site plans. In addition, all submissions must contain enough engineering data to enable a proper engineering and planning review in accordance with the Zoning Law. If maps either fail to comply with the code requirements or are insufficient to support a proper engineering and planning review, the result may be the denial of approval and the requirement of a new application and applicable fees. The adequacy of all submissions will be determined by the Planning Board after recommendations from the Planning Board Engineer, Environmental Consultant and the Planning Board Planner.
- d) If a public hearing is required the hearing will be set only after the Board is satisfied that the applicant has addressed all comments and questions to the satisfaction of the Board.
- e) An application is not complete until a Negative Declaration has been issued or a DEIS has been received and declared complete.

5) Notes

- a) In addition to other notes as may be required by the Board, the applicant shall include as notes on the map the following:
 - i) Driveway Construction notes. (See attached)
 - ii) Erosion Control notes. (See attached)

6) Actions of the Planning Board

- a) Prior to making a decision on the application, the Planning Board shall make a determination of significance under the State Environmental Quality Review Act. The Planning Board may open a public hearing prior to the determination of significance in order to obtain public comment on the issues of environmental concern. An application is not considered complete until a SEQRA determination has been made.
- b) Decisions of approval or disapproval will be made no more than sixty two (62) days after the close of a public hearing on a complete application unless extended by agreement of the Planning Board and the applicant. The decision of the Planning Board will be filed with the Town Clerk within five (5) business days of the date of the decision.
- c) Disapproval of an application will require the resubmission of a preliminary application if the applicant wishes to pursue further consideration of the plan.
- d) The Plat will be void if it is revised after Planning Board signature. No changes, erasures, modifications or revisions shall be made on any plat after the plat has been signed by the Board. If the recorded plan contains any changes, the plat shall be considered void, and the Planning Board shall take action to remove the plat from county records.

7) Fees

All application fees and review fees are due at the time an application is submitted. Application fees are not refundable. At the time an application is submitted to the Planning Board fees shall be paid with separate checks to cover the following: (1) Application Fee (Erosion Control, and/or Site Plan, and/or Wetland Permit, and/or Lot Line Revision); and (2) Review Fee. Checks shall be made payable to the "Town of Kent", but should be mailed or delivered to:

The Kent Planning Board
25 Sybil's Crossing
Kent, NY 10512
Tel: 845-225-7802

Unexpended review fees are returnable upon completion of the Planning Board's review of the application and the receipt of final invoice(s) from all professionals retained by the Planning Board to review the application. After a project is completed the Planning Board needs to be notified. A letter from the applicant requesting bonds and/or review fees asking for refunds needs to be sent to the Planning Board. The consultants will inspect the property to ensure that it is stabilized and they will make a recommendation to the Planning Board at that time with their determination. Based on the consultants' recommendation the Planning Board will discuss the matter and vote on it and make a recommendation to the Town Board at the appropriate time to return the bond(s) and after all invoices have been processed the review fees may be returned if the Planning Board agrees and they will make a recommendation to the Town Board to return the review fees.

Recreation Fees are due and payable prior to the Chairman signing the approved residential subdivision or site plan map. Approval of any application is expressly conditioned on the payment of all application fees, review fees, and recreation fees, and the signature of the Chairman on the final plat or site plan shall be withheld pending payment of all fees.

Pursuant to §55 of the Town of Kent Code an applicant is responsible to pay the cost of services of consulting attorneys, engineers, planners, architects, and other professionals retained by the Planning Board to review an application. At the time an application is submitted the applicant shall pay to the Planning Board an initial deposit in an amount set by the Planning Board for the Review Fee. The fee will be used to pay the cost of consultant fees incurred by the Planning Board to review the application. The deposit amount may be adjusted up or down by the Planning Board based upon the type, size and complexity of the application. The applicant may be periodically advised as to the need to replenish the review fee fund, and the Planning Board may cease its review of an application pending such replenishment. Any unexpended deposit amounts will be returned to the applicant. As the project moves forward all invoices will be sent to the applicant and/or their representatives as they are received along with a summary of the review account. If/when additional funds are needed the applicants will be notified.

Standards for Private and Common Driveways**

The following notes must be placed on the plan for development approval as applicable.

- A) *The driveway for any lot shall provide vehicular access to within 150 feet of the exterior wall of each habitable structure.*
- B) *For lots legally in existence as of the date of adoption of this local law, driveways proposed to serve three or fewer single family residential lots shall meet the following standards:*
 - 1) *Finished grades for all parts of any proposed driveway shall not exceed ten (10%) percent, and shall not exceed three (3%) percent within thirty (30) feet of the intersection of the driveway with the public highway, private road, or garage or parking pad, and shall be paved for a distance of thirty (30) feet from said intersection. The Planning Board may grant a waiver for a driveway slope of up to fifteen (15%) percent upon a showing by the applicant of practical difficulty in meeting these standards. Any section of a proposed driveway that exceeds 10% finished grade shall be paved.*
- C) *For lots created after the date of adoption of this local law, driveways proposed to serve three or fewer single family residential lots shall meet the following standards:*
 - 1) *Finished grades for all parts of any proposed driveway shall not exceed ten (10%) percent, and shall not exceed three (3%) percent within thirty (30) feet of the intersection of the driveway with the public highway, private road, or garage or parking pad, and shall be paved for a distance of thirty (30) feet from said intersection. No waiver or variance from these standards shall be permitted.*
- D) *For all driveways:*
 - 1) *The minimum driveway width shall not be less than 16 feet with a travel way width of not less than 12 feet and a shoulder width of not less than 2 feet on each side. For driveways in excess of 300 feet the Planning Board shall require pull-offs to provide safe passage for users of the road and shall require designation of area(s) along the driveway for snow storage. Passing turnouts shall be placed at not more than two hundred foot intervals along the length of the driveway. The passing turnouts shall have an additional 4 feet of shoulder width. The minimum dimension of a turn-out shall be 10 feet in width and 50 feet in length.*
 - 2) *Shoulders shall be top soiled, seeded with an appropriate grass or grass blend, and mulched.*
 - 3) *All roots and stumps shall be grubbed, excavated and removed from the travel way and shoulders.*
 - 4) *All unsuitable and unstable materials shall be completely excavated and removed and all rocks or boulders larger than 6 inches across shall be excavated to at least 8 inches below finished grade.*
 - 5) *The foundation course of the driveway shall be a minimum of 6 inches of clean, run of bank gravel.*
 - 6) *Final course of the driveway shall be a minimum of 4 inches of item 4 or processed gravel. Pavement, where required, shall be a minimum of two and one-half inches (2 ½") compacted thickness.*
 - 7) *The paved and unpaved travel-way, passing turnouts, shoulders and flow line of drainage ditches and swales shall be maintained in satisfactory condition to assure safe and continuous year-round access for all vehicles.*
 - 8) *Trees and shrubs shall be trimmed and maintained so as not to hang into or obstruct the travel way, passing turnouts and shoulders. Overhead branches shall be trimmed and maintained to a height of not less than 13 feet.*

- 9) *Each lot accessed by a common driveway shall be subject to a Driveway Maintenance and Improvement Agreement which shall run with the land and be binding on each owner of the lots so accessed and, and upon their heirs, successors and assigns. Such Agreement shall be recorded in the office of the County Clerk and shall be subject to the approval of the Planning Board prior to such recording.*
- 10) *A development plan for the driveway, together with driveway profiles and other information as may be required by the Town Building Inspector to show compliance with the section, shall accompany an application for a Steep Slope and Erosion Control Permit, and/or a highway work permit, prior to an application for a Building Permit being made.*
- 11) *The development plan shall use as a base map an accurate boundary and topographic survey of the property depicting all existing improvements and grades prepared by a New York State licensed land surveyor. The plan shall depict all proposed improvements shall be prepared by a professional engineer, a landscape architect, or an architect licensed by the State of New York. The development plan and profiles shall show conformity of the proposed driveway construction with these standards.*
- 12) *Upon completion of grading and placement of sub-base material, and prior to final paving, the applicant's New York State licensed land surveyor shall provide to the Town an "as-built" survey depicting the actual grades and dimensions to which the driveway has been constructed. Such as built survey shall accompany the application for issuance of a Building Permit for construction of on-site improvements. Upon completion of construction the applicant's Professional Engineer shall certify to the Town that the driveway has been constructed in accordance with the approved plans and with these specifications.*
- 13) *The driveway construction requirements as shown on the final development plan or plat approved by the Planning Board shall be referenced in the deed for the property upon transfer.*

**Town of Kent Planning Board
Steep Slope and Erosion Control Notes**

In order to assure compliance of the project with both the Town Zoning Law and the NYSDEC regulations the following note shall be placed on all plat maps.

- A) Any individual or entity proposing to develop land within the Town of Kent or to conduct construction activities on land within the Town of Kent shall prepare an application pursuant to §66-6 of the Town of Kent Code for a steep slope and erosion control permit when one or more the following criteria are met:*
- 1) Any disturbance involving one (1) or more acres of land;*
 - 2) Any disturbance on ground areas having a topographical gradient equal to or greater than fifteen percent (15%) measured by utilizing two (2) foot contours, except for:*
 - a) Any planting of landscape materials or gardening which does not disturb the existing terrain in excess of a two-foot depth in two thousand (2,000) square feet;*
 - b) Emergency situations as determined by the Town Engineer, where the disturbance of steep slopes is required to protect persons, animals or property from imminent danger;*
 - c) Any routine road, highway or street maintenance; or d) Ordinary maintenance and repair of existing structures or facilities.*
 - 3) Disturbance within one hundred (100) feet of a wetland or watercourse as defined in Chapter 39A, "Wetlands and Watercourses", of the Town of Kent;*
 - 4) Excavating or filling which exceeds a total of one hundred (100) cubic yards of material within any parcel or any contiguous parcels.*
- B) Agricultural activities including household gardening shall be exempt from applying for a steep slope and erosion control permit.*
- C) The discharger, owner or operator shall at all times comply with the New York State SPDES General Permit (GP-02-01) requirements. A copy of any completed Notice of Intent submitted to the New York State Department of Environmental Conservation pursuant to GP-02-01 shall be submitted to the Planning Board.*
